

# MEET YOUR LEADERS

Rowells and Jacksons

## About Us

Jeff & Jacqui Jackson and Stephanie & Casey Rowell lead a Sunday Afternoon Adult Bible Study. The Jacksons have 4 kiddos- ages 7 - 15, and the Rowells have a teenaged daughter. Weekends for both families are often spent at various sports events, and we all love college football - just different teams :) We're thrilled to welcome new individuals, couples or families to our group. We very much want this small group to be an authentic, safe community for whomever feels led to join.

## Group Demographic

Our group meets Sunday afternoons from 3:30 - 5:30. We will alternate men, women, both, and families. If you have kiddos you are welcome. If your kiddos are launched -that is great too! We want this group to be authentic, connected and ready to dig into God's Word and do Life Together.
