

Dr. Michelle Mitchell

It is important that we speak into the lives of one another to energize, and empower the body of Christ. This community group is spiritually nurturing, and mentoring for young women who are college age through 30's. Our group meets in the coffee house area of Riverstone, Sunday mornings from 8:45-9:50 AM. Join us to be refreshed with the "treasure of wisdom and the pleasure of spiritual wealth." Proverbs 23:3-4
